**OFFICIAL DROP OFF LOCATION**

Spend time outdoors doing what you love while doing your part to feed your neighbors that may be less fortunate

**NO COST TO YOU !**

If we have the privilege to process your wild game, there are a few things you should know:

- We accept meat cleaned & quartered or deboned for drop off **\*\*If you debone yourself, small trimmings must be bagged and NOT loose in your cooler\*\***
- Deboning Fee - **\$6 per bone**
- Meat should be free of debris, fecal matter, and foreign material. Inedible removal fees may apply
- If trimmings are bagged, please do NOT USE trash bags, grocery bags, or scented plastics.
- We provide FREE, food safe, clear plastic bags upon request.
- **NO WHOLE CARCASS.** At this time, our plant is not set up to skin, gut, or breakdown whole or half carcasses. If a cleaned carcass is your only option, a \$40 breaking fee will apply.
- Your meat should be packed well with ice (or below 40°) and show signs of proper handling.
- Coolers that have been in storage during the summer should be cleaned and sanitized before using for meat storage and transport.
- Storage fees WILL apply to completed orders that are not picked up within a week of notification.
